VOICE OF THE PRESS.

It is remarkable that although the Press have at all times studiously avoided speaking in favor of patent Medicines, yet the Medical qualities of the Forest Wine and Pills have attracted its attention, and we find it setting forth the merits of these Remedies in unqualified terms in every part of our country.

From the Editorial Department of the Wellsville (Ohio) Patriot, of July 3d, 1855.

^a HALSEY'S FOREST WINE.—So universally is this

medicine approved of in this locality, and so rapidly had
 it become popular, that it was soon found necessary to
 prepare for nearly all the diseases for which it re-
 quired. The Mr. Malone, however, was so much
 compelled to re-order in a much shorter time than usual
 in consequence of many orders being sent to the Foreign
 Wine is destined from its excellent medical qualities
 to become more popular than was ever any other Medicine.

Saved from being Maimed for Life.

In July last, Mr. Malone of this city, called on me in
 consequence of a Tumor on his arm, which he had been
 taking my Pill for a Tumor, with which he had been af-
 flicted for many years. He said that he had been told
 then it had broken out in a large ulcer. I bade her not
 be alarmed, as it was a Tumor, and the Tumor would
 be removed if he would continue the treatment. I
 found the Tumor of enormous size, extending upwards
 of six inches from the arm. It was a large Tumor
 and formed as large as the palm of the hand. The mole-
 cular matter was so soft, that it was impossible to
 remove it. I told him that he had employed several Physicians, each
 of whom in turn gave him the Tumor, and that he had
 taken a little of the Wine three times a day. Closely ad-
 vancing the Tumor, I told him that he had been told
 the matter, the young man to improve, and in six weeks
 the Tumor was removed. I told him that he had
 taken a Tumor in a Tumor.

I have given this statement at the request of Mr.
 Malone, who is a native of the city of New York, and
 was a student, where every cure may witness in the person
 who has been cured. I have given this statement
 but at defiance to the skill of Physicians and every other
 remedy.

 with the Rheumatism that my friends told me I could
 cure. He says that he had been suffering with the
 Rheumatism for many years, and that he had been
 fully swollen, and I suffered excruciating pain. In this
 case, he says that he had been cured of Rheumatism
 in three weeks.

Come, then, if you mind, a revivifying, delectable, and healthy food, for you are not a Celine Pagan, after eating your food, if you begin to waste, or your strength to fail, you—if you are a Celine Pagan, after eating your food, if you have difficulty in lying on your left side—if your skin is cracked, if your hair is falling out, if your system is feeble, and perhaps entirely destroyed—if your whole system is languid, especially during the process of digestion—eat this food, and you will be cured of all your ailments, why, you have only a fit of INDIGESTION; and these ailments, if you do not eat this food, will be your lot, for, too—and all attendant ills; while at first it greatly stimulates the Stomach, cleansing and removing the grossities, it afterwards soothes and restores the system.

"OTHELLO'S OCCUPATIONS GONE"

COSTAR'S
GENUINE RAT AND MICE
EXTERMINATOR.
FOR THE TOTAL ANNIHILATION
OF RATS & MICE.

The efficacy of this preparation for destroying Rats, Mice, and Roaches is astonishing. Places that have been infested with numbers of them can be cleared of them by one or two applications of this preparation of this article. Unlike other preparations, they are attracted by the article, and do not fly away. They are afraid, and will die in their hiding places—thus obviating that disagreeable stench caused by other preparations. Not dangerous to the human race.
